AIRGATE to Participate in Saudi Infrastructure Expo 2023 - Riyadh

Jazan– 2023\07\19 – AIR GATE, a leading provider of IT and communication services to all sectors, today announced that it will participate in the Saudi Infrastructure Expo 2023 on September 11-13 at Riyadh International Convention & Exhibition Center. The expo is the premier event for constructors, PMs and camp managers in Saudi infrastructure to learn about the latest trends and technologies in IT and communication for projects.

AIRGATE will have a booth at the expo, where attendees can learn more about the company's solutions and services. AIRGATE's solutions help projects in rural areas improve their operations and efficiency, enhance customer service, and increase collaboration.

"We are excited to participate in this expo and share our expertise with the infrastructure and construction community," said Mohammed Hakami, CEO of AIRGATE. "We believe that this event will provide valuable insights and resources that will help project managers and camp managers improve their IT and communication capabilities."

The expo is open for all to attend, but registration is required. For more information and to register, please visit <https://www.saudiinfrastructureexpo.com>
