# Strategy

1. The cornerstones of Al Rashed Building Materials' successful & inspiring business experience:
2. Modern sales management system that meets and fulfills the continuous changes and tech revolutions.
3. Maintaining strategic & distinctive business relationships with our customers, considering them business partners.
4. Availability, shortening the distances to our customers by operating more than 30 branches all over the kingdom, in addition to central warehouses in all main regions.

## Vision

To be a leader supplier, a bright name, and a title of quality in the building material field to contribute to the construction growth in the kingdom.

## Mission

Al Rashed Building Materials aims to supply & serve building materials with the highest quality, most competitive prices, and spectacular customer service experience.
